

Employment Services
Training Seminar

October 14 & 15, 2010
9:00-4:00

University of Vermont
Davis Student Center
Williams Room 403
Burlington, VT

The Center on Disability and Community Inclusion (CDCI) has been providing training and technical assistance through the *Supported Employment Project* for over 25 years. CDCI coordinates several grants/projects designed to increase the inclusion of adults with disabilities into the workplace.

Employment Services training seminar is designed as an introductory course. This two-day event provides strategies so community employment providers can implement best practices in employment services and increase employment outcomes for persons with disabilities.

Topics will include:

- Values and Philosophy
- Discovery/Assessment
- Job Development Strategies
- Worksite & Culture Analysis
- Job Placement & Training
- Career Development

Presenter: Bryan Dague, Ed.D. CRC

Who Should Attend? Job Developers, Job Coaches, Employment Specialists, School Transition Specialists, State Agency Personnel

Cost: \$150 per person
Coffee/breakfast and materials provided, lunch on your own.
